MISSION

We Strive to Be the Best in Everything We Do

At Poweron Electromechanical L.L.C., we do our best to provide qualitative high-quality products and services at reasonable prices. We continuously strive to meet and exceed our clients' expectations.

Teamwork and Communication

As our clients' ideas and desires are extremely important to us, we do our best to maintain a relationship with our clients based on clear communication and transparency from the very first minute of contact until the project is successfully completed. We also collaborate closely with the local authorities, our investors, suppliers, employees, and service providers. We value teamwork and we have a great consideration for all our partners, knowing that only together we can maintain as well as raise our standards, meet our customer's needs and anticipate the market tendencies.

We value teamwork and we have a great consideration for all our partners, knowing that only together we can maintain as well as raise our standards, meet our customer's needs and anticipate the market tendencies.

INTRODUCTION

We M/s. **POWERON Electromechanical LLC (ISO 9001:2015)**, take the freedom to introduce ourselves, as an emerging and well-established contracting company in UAE, undertaking MEP works for many consultants. We have executed lots of electromechanical works for various prestigious projects.

We have well qualified and experienced engineers and technical personal, familiar with latest technology and managerial techniques, who are capable of interacting and coordinating with clients and consultants. Our success and strength lies in our dedicated team

We have made a status for delivering projects on time, and on budget, also we are well experienced in providing MEP services which will help our clients to achieve their vision. Our strength is well experienced employees who can handle both commercial and residential projects with a wide range of clients from small independents to global corporates.

We are capable of doing all works – including testing & commissioning - of HVAC, Electrical, Fire Fighting & Fire Alarm installations and all coordination for Civil Defense & DEWA approvals.

The enclosed company profile enumerates some important projects executed by our groups in jurisdiction of U.A.E.

We will be obliged if you could kindly register our name in your approved list of contractors/sub-contractors and send us your valued inquires. We are confident of contributing to the success of your projects if an opportunity is given to us.

We are specialists in:

- **All Electro-Mechanical (MEP)Works for Office and Show-room Fit-outs**
- **Indoor & Outdoor AC Installation /Ducting / Chilled Water Piping**
- **Data Cabling / Networking / CCTV/Security Systems Installation**
- **Fire Fighting & Fire Alarm Installation**
- **Industrial Drainage & Ventilation**
- **Facility Services & Maintenance**
- **Underground Cabling**
- **Panel Installation**
- **Industrial Wiring**

We are very hopeful and pleased to establish fruitful co-operation with your company.

QUALITY POLICY

NEVER COMPROMISE SERVICE

Our Quality Control Policy guarantees that the services we provide comply with all the reliability, safety and environmental protection standards. In order to provide excellent services, according to our clients' aesthetics, functionality and budget criteria, we commit ourselves to use our best available technology and material. Our commitment to quality is underpinned by our accreditation to ISO 9001:2015

MANAGEMENT COMMITMENT

Our Management is the driving force for establishing, implementing, maintaining and improving the quality management system. We understand and appreciate that - what people do, and how this affects customers – cannot be effectively managed without a clear commitment from management.

Management ensures that they: -

- Establish and maintain quality policy
- Establish and review quality objectives
- Conduct management reviews
- Ensure availability of resources

Mission Statement

Our quality policy statement indicates our commitment as a company, and focuses on areas which are important to us, achieving customer satisfaction, and continual improvement. We ensure that all our staff at all levels have an understanding of the quality policy. It is communicated throughout the organization using various methods such as regular training, discussions and reinforcement at management review meetings.

POWERON has established a reputable position in the market throughout the years of relentless efforts in serving its clients. This was achieved by providing services of high quality that completely satisfied its client requirements.

POWERON has identified the process needed for the quality management system, and these processes are established and monitored regularly. We are committed to continuous improvement in its quality system and that is achieved through monitoring and review of quality objectives, in addition to the corrective and preventive actions and the management review meetings.
